SUMMARY

Passionate about web development with expertise in front-end and back-end technologies. A quick learner with strong time management skills, excelling both independently and in teams while embracing innovation and creativity.

EXPERIENCE

Java Full Stack Developer

Kodnest

June 2024 - Present, Bangalore

- Collaborating with a team to design and develop full-stack web applications using Java, Spring Boot, and React.js.
- Building RESTful APIs and integrating front-end components with the back-end logic.
- Writing and optimizing SQL queries for efficient data retrieval and management.

SKILLS

Front End : HTML, CSS, JSP, JavaScript

Back End : JAVA

Frameworks: Hibernate, Spring, Spring Boot

Database : MySQL, MongoDB

PROJECTS

Online Food Ordering Application

- Developed an online food ordering system using **Java**, **JDBC**, enabling users to browse restaurant menus, place orders, and manage user authentication.
- Designed and managed MySQL database to store restaurant, menu, and order data.
- Implemented secure user registration and login features for customers.
- Built responsive frontend using **HTML**, **CSS**, **JavaScript**, and **JSP** to ensure smooth user interactions and dynamic content rendering.

Zoo Management System (DBMS Project)

- Developed a web-based system for managing visitor data, animal exhibits, and ticket issuance.
- Designed an intuitive frontend using **HTML**, **CSS**, and **JavaScript** to enhance user experience.
- Built a backend with **Java** and **MySQL** for efficient data management and processing.
- Streamlined ticketing workflows, improving operational efficiency for zoo management.

Student Management System

- Developed a Student Management System using **Java**, **Servlets**, **JDBC**, **JSP**, **CSS**, and **JavaScript** for efficient CRUD operations.
- Designed intuitive interfaces for managing student records with add, update, view, and delete features.
- Optimized database performance with **JDBC** for seamless data handling.

Personal Portfolio

- Developed a modern, visually appealing portfolio using **HTML**, **CSS**, **Bootstrap**, and **JavaScript**.
- Applied responsive design for seamless performance on desktops, tablets, and smartphones.
- Incorporated interactive elements using JavaScript to enhance functionality and engagement.

EDUCATION

Bachelor of Engineering

KVG College of Engineering • Sullia, Dakshina Kannada • 2024

• Percentage : 73% | CGPA : 8.02 | Computer Science & Engineering

Class XII

Sadvidya Semi-Residential Pu College • Mysore • 2020

• Percentage : 64.3% | CGPA : 6.76 | PCMC 's

Class X

Sudarshan Vidya Samsthe • 2018

• Percentage : 68% | CGPA : 7.15

CERTIFICATIONS

• Certification on completion of Java Full Stack Internship by Kodnest Dream Factory 2024

• Certified in **Cloud Computing** upon completion of the course on **Coursera**.
